

Yasha Sterling

Infinity Mark

PRIMARY USE

Use the infinity mark as the master visual identifier for Yasha Sterling.

Maintain generous clear space around the mark; do not crowd it with text or other logos.

Use the supplied transparent PNG for digital layouts and the black-background JPG when a fixed dark application is needed.

Do not stretch, skew, recolor, rotate, outline, or add effects to the approved mark.

For media use, preserve the mark's proportions and visual integrity.
